THE DEAN'S HONOR LIST

Until final awards are announced at Commencement, the highest academic honor possible to attain at Cedarville College is to be included on the Dean's Honor List. This list of high-ranking students is published at the end of each regular quarter. The requirements of the Dean's Honor List are:

1. A student must have a 3.75 grade point average for the quarter.
2. A student must have no grade for the quarter lower than a "B."
3. A student must carry a minimum of 12 quarter hours, excluding "CR" hours. Exceptions are made for those enrolled in field experiences or internships granting CR/No Credit and those who carry at least two courses.
4. A student must complete every course he is taking by the end of the quarter when grades are turned in by the faculty. Any grade of "Incomplete" will preclude a student's candidacy for the Dean's Honor List.

The Academic Regalia

The colorful academic regalia dates from the Middle Ages when European universities took form. Academic costume has been in use in the United States since colonial times and is traditionally used for graduation convocations. An intercollegiate commission was formed which established the following standard of uniformity for caps, gowns, and hoods.

The standard cap is mortarboard. The tassel color indicates the subject field.

Yellow – science, mathematics

Drab – commerce

Sage Green – physical education

Light Blue – education

Pink – music

Dark Brown – fine arts

White – arts, letters, languages, history

Apricot – nursing

Scarlet – religion

Dark Crimson – humanities

Gold – Doctor of Philosophy, Doctor of Education, Doctor of Theology,
Doctor of Arts (some of the doctors have large, metallic tassels)

The length of the hood and the width of the velvet indicates the level of the degree. The doctor's hood is quite long, has two tails, and has a five-inch wide velvet. The master's hood is shorter than the doctor's and has a three-inch wide velvet. The bachelor's hood is shorter yet and has a two-inch wide velvet. The color of the velvet indicates the field of study. Blue velvet indicates the doctoral degrees. The dark brown velvet indicates the Master of Arts degree. White velvet indicates the Bachelor of Arts or the Master of Arts degree. Scarlet velvet indicates the Bachelor of Divinity degree or the Master of Divinity degree. Yellow indicates the Bachelor of Science degree. The colors in the lining of the hood are the university colors.

The gown's traditional color is black. The distinguishing feature of the master's gown is the tippet sleeve. The doctor's gown has two distinguishing features. It is cut much fuller than the bachelor's or the master's gown and has velvet panels on the sleeves, around the neck, and down the front. These panels may be black or the color which symbolizes the subject field in which the degree was earned.
